Partnership plan

October 18th and 19th 2010  
Manoir Richelieu  
181, rue Richelieu  
La Malbaie (Québec), Canada  
G5A 1X7

Dear partners,

Year after year we try to collect from you relevant comments which we can enhance your level of satisfaction. We can already assert that our experience coupled in the harvest of comments of the previous CQSI allowed us to offer you this renewed and tempting plan.

This year each partnership platinum and gold will be different. It will include systematically a booth, a range of presentation for a precise speaker and visibility for a prestigious event. Take the time to choose one that suits you best to avoid disappointment.

To simplify the reading of this partnership, we have taken the initiative to start using the plan, since it is often the position of the booth that influences your choice.

We recall that the rule of "first sign, first served" is still required.

Thank you for your unwavering confidence in our organization and our event.

If you need more details on partnership, contact us at [partenariat@asiq.org](mailto:partenariat@asiq.org).
